County Manager Gregory Zinser was present at the meeting.

YOU ARE INVITED TO RISE AND SALUTE THE FLAG OF THE UNITED STATES

11-28-22 ITEM

1 TO APPROVE THE PURCHASE OF (8) EIGHT PATROL VEHICLES-7 for county patrol and 1 for Waterboro Contract Deputy

County Manager Zinser explained that this request follows the replacement schedule set up many years ago. Major Mitchell had contacted a dealership that was awarded the bid (by a vote of the Commissioners) and the dealership cancelled the quotes as they were unable to fulfill the terms. Major Mitchell contacted many dealerships in New England and found one in Framingham, MA that has sufficient quantity.

Commissioner Ring questioned the need to purchase eight (8) vehicles. Sheriff King replied that this is the replacement plan that has been in place for several years.

Commissioner Ring added that there are seventeen (17) front line vehicles and only five (5) have over 55,000 miles on them. Do we really need seven vehicles, she asked. Commissioner Ring continued that now we are caught up and asked when do we go back to the five (5) vehicle rotation as she is concerned about this. She asked if we are financing the cruiser for the Waterboro deputy. County Manager Zinser replied that the Town of Waterboro will pay for the cruiser.

Commissioner Dutremble stated we have this program set up so that the vehicles do not get out of date. He added that in his experience working with the City of

Biddeford, vehicles were replenished as the possibility of them breaking down after 50,000 miles is a greater possibility.

County Manager Zinser added that the rotation is based on twenty-six (26) vehicles. Civil process gets the cars trickled down to them.

Commissioner Ring stated that civil process should be paying for their own vehicles.

Commissioner Clark motioned to approve the purchase of eight (8) vehicles from McGovern (with one (1) being paid for by the town of Waterboro) for a total amount of \$294,400.00.

Commissioner Ring seconded the motion. Vote 3-0.
