

**Master Services Agreement  
YORK COUNTY (ME)**

This Master Services Agreement (this "Agreement") is by and between York County Jail ("Customer") and Securus Technologies, LLC ("Provider"). This Agreement supersedes any and all other agreements (oral, written, or otherwise) between the parties and is effective as of the last date signed by either party (the "Effective Date").

WHEREAS, the parties agree that Provider will deploy certain products and services according to the terms and conditions herein and in the attached Schedule(s), which are incorporated by reference;

NOW THEREFORE, in consideration of the mutual promises and covenants herein, the parties agree as follows:

- Applications. This Agreement specifies the general terms and conditions under which Provider will provide certain software, hardware, systems, and services (collectively, the "Application(s)") to Customer. Additional Application-specific terms and conditions are stated in schedules to this Agreement (the "Schedules"), which are incorporated into and subject to the terms of this Agreement. In the event of any conflict between this Agreement and a Schedule, the Schedule will govern. The Applications include any incremental upgrades, modifications, updates, and additions to existing features that Provider may implement in its discretion (the "Updates"), but do not include additional features or significant enhancements to existing features. If Applications are provided by subsidiaries or affiliates of Provider, the terms of this Agreement apply with equal effect to those parties.
- Term. The Agreement begins on the Effective Date and ends 60 months thereafter (the "Initial Term"). Unless one party delivers to the other written notice of non-renewal at least 90 days before the end of the then current term, this Agreement will automatically renew for successive periods of 12 months each. The terms and conditions of this Agreement will continue to apply for so long as Provider continues to provide the Applications to Customer after the expiration or earlier termination of this Agreement.
- Compensation and Cost. The compensation and cost for each Application, if any, is stated in the Schedules. If applicable, for Applications paid for via commission deductions, in any given month, if commissions earned are less than the Application's monthly cost, then Customer may be sent an invoice for the remaining amount. Unless stated otherwise in a Schedule, all invoices will be due and payable within 30 days after the invoice date. Provider reserves the right to charge interest on overdue invoices at the lower of (a) 15% per annum or (b) the maximum rate allowed by law, and to deduct any unpaid invoice balance plus any accrued interest from any amounts owed to Customer by Provider until Provider is paid in full.
- Ownership of Applications and Grant of License to Customer. Other than as specifically set forth in the Agreement, Provider does not grant or otherwise convey any license or other ownership right in or to the Applications or any technology, data, or intellectual property rights associated with the Applications. Provider grants Customer a personal, limited, non-exclusive, non-transferable license (without the right to sublicense) to access and use the Applications solely as contemplated by the Agreement (the "Customer License").
- Additional Terms of Customer License. In connection with the Customer License, Customer agrees that (a) it will not resell, assign, or otherwise transfer the Applications or any portions thereof; (b) it will only use the Applications for lawful purposes and will not transmit, retransmit, or store material associated with the Applications in violation of any federal or state laws or regulation; (c) it will not provide access to the Applications to third parties; (d) it will not connect the Applications to any products that Provider did not furnish or approve in writing; (e) it will not create derivative works based on the Applications; (f) it will not disassemble, reverse engineer, decompile, or otherwise attempt to reveal the code, trade secrets, or know-how underlying the Applications or allow any third party to do so; (g) it will not remove, obscure, or alter any intellectual property right or confidentiality notices or legends appearing in or on any aspect of any Applications; (h) it will be responsible for distributing and assigning licenses to its end users; and (i) it will monitor and ensure that its licensed end users comply with these terms.
- Ownership and Use of Certain Data Associated With the Applications. Unless otherwise required by law or applicable end user license terms, Customer will own the recordings of communications associated with the

Applications (the "Customer Data"). During this Agreement and for a reasonable period thereafter, Provider will provide Customer with access to the Customer Data. Customer grants Provider a limited license to use the Customer Data for purposes of (i) complying with the requests of officials at the Facility, (ii) disclosing information to requesting law enforcement and correctional officials as they may require for investigative, penological or public safety purposes, (iii) performing billing and collection functions, (iv) maintaining equipment, providing the services contemplated by this Agreement and quality control purposes; (v) research and development of future services, and (vi) complying with applicable laws, regulations, or end user license terms.

7. Grant of License from Customer to Provider. Customer grants Provider the exclusive right and license to install, maintain, and derive revenue from the Applications at all correctional facilities under Customer's authority now and in the future during the term of this Agreement. Subject to the remaining terms and conditions of this Agreement, Provider will be the sole and exclusive provider of incarcerated end user communications, whether fixed, mobile or otherwise, including but not limited to voice, video, and data (e.g., phone calls, video calls, messaging, prepaid calling cards, debit calling, and e-mail) and incarcerated end user software applications (e.g., automated grievance filing system, law library, etc.) at all correctional facilities now or in the future under the authority of Customer and to the exclusion of any other third party providing such services, including without limitation, Customer's employees, agents, or subcontractors.

8. Third-Party Software. If applicable, Customer is the license holder of any third-party software products Provider obtains on Customer's behalf in connection with the Applications, and Customer authorizes Provider to provide the third-party software and agree that Provider may agree to the third-party End User License Agreements ("EULAs") on Customer's behalf. Customer's rights to use any such third-party software product will be limited by the terms of the applicable EULA. The deployment of certain features and functionalities within Provider's Applications which utilize third-party content or services may require a direct agreement between Customer and the third party as a condition which must be fulfilled prior to deployment.

9. Express Warranties. Unless a Schedule states otherwise, Provider offers the following express warranties in connection with the Applications:

- a. Express Warranty for Hardware and Software Deployed and Owned By Provider. For hardware and software deployed and owned by Provider and provided to Customer pursuant to the Agreement, Provider agrees to repair and maintain such hardware and software in good operating condition (ordinary wear and tear excepted), including, without limitation, furnishing all parts and labor during the term of the Agreement. All such maintenance will be provided at Provider's sole cost and expense except as noted in this section. Customer agrees to promptly notify Provider in writing after discovering any misuse of or destruction, damage, or vandalism to the equipment. Provider will have no obligation to repair or maintain such hardware or software, if the Applications are, without Provider's knowledge and approval, interfaced with other devices or software owned or used by Customer or a third party, or if the Applications are otherwise damaged as a result of Customer's actions.
- b. Express Warranty for Hardware and Software Purchased and Owned By Customer. For hardware and software purchased from Provider and owned by Customer pursuant to the Agreement, Provider warrants that such materials will be free from material defects under normal use, maintenance, and service for a period of 12 months from the date of sale. Provider makes no warranty with respect to low performance, damages, or defects in any such materials caused by misuse, misapplication, neglect, or accident, nor does Provider make any warranty as to any such materials that Customer has repaired or altered in any way. When applicable, Provider will replace the applicable materials at no cost, which is Customer's sole remedy in connection with a claim pursuant to this section.
- c. Express Warranty for Services Provided. Provider warrants that the services it provides will be performed in a good and workmanlike manner consistent with industry standards and practices. Provider warrants that its agents and/or employees used in the performance of its obligations will be qualified to perform the contracted services. Should any errors or omissions arise in the rendering of the services under this Agreement, Provider will undertake to correct such errors or omissions within a reasonable time period and in compliance with the Service Level Agreement terms stated in Section 11.

10. Disclaimer of Warranties. EXCEPT AS SPECIFICALLY SET FORTH IN SECTION 9 OF THIS AGREEMENT OR A SCHEDULE OF THIS AGREEMENT, THE APPLICATIONS ARE PROVIDED "AS IS" AND PROVIDER DISCLAIMS ALL

WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ANY IMPLIED WARRANTY ARISING FROM A COURSE OF DEALING OR USAGE OF TRADE, AND NONINFRINGEMENT.

11. Service Level Agreement. Provider will provide service for the Applications as specified at <https://securustechnologies.tech/servicelevelagreement/>.

12. Customer's Compliance With Applicable Laws. For Applications that allow Customer to monitor, record, investigate, or analyze communications, Customer represents and warrants that it will operate such Applications in compliance with all applicable laws, and Provider makes no representation or warranty as to the legality of such actions. To the fullest extent allowed by law, Customer agrees to be responsible for any loss, cost, claim, liability, damage, and expense (including, without limitation, reasonable attorney's fees and expenses) arising out of Customer's non-compliance with applicable laws. Customer may designate certain communications (for example, attorney or clergy communications) as "Private" within certain of the Applications. Customer acknowledges and agrees that Customer has the sole discretion, authority, and responsibility to designate certain communications as Private, and that Provider has no discretion, authority, or responsibility to make such designations, unless done so at Customer's instruction. Further, to the fullest extent allowed by applicable law, Customer agrees to be responsible for any loss, cost, claim, liability, damage, and expense (including, without limitation, reasonable attorney's fees and expenses) arising out of the recording or monitoring of communications that Customer should have but failed to designate as Private.

13. Confidentiality. The Applications and related records and information (the "Confidential Information") will remain confidential to Provider. Customer understands and acknowledges that Provider is required by Section 222 of the Communications Act of 1934, as amended, 47 U.S.C. Section 222, to maintain the confidentiality of "Customer Proprietary Network Information", or "CPNI", which protects from disclosure consumers' sensitive personal information (including phone numbers called by a consumer; the frequency, duration, and timing of such calls; and any services purchased by the consumer). Customer will not disclose CPNI or Confidential Information to any third party without Provider's prior written consent. If Customer receives a request for disclosure of Confidential Information or CPNI pursuant to FOIA or its state equivalent, Customer agrees to notify Provider in writing so Provider may assert any rights to non-disclosure under the applicable law.

14. Defense of Claim. Customer agrees to provide prompt written notice of any claim, demand, or cause of action made or brought against Customer arising out of or related to operation of the Applications (a "Claim"). Provider has the right, in its sole and exclusive discretion, to defend any such Claim at Provider's sole cost, expense, and discretion. Customer agrees not to compromise or settle any such Claim without Provider's prior written consent. Customer acknowledges and agrees to assist Provider with the defense of any such Claim.

15. Indemnity. TO THE EXTENT LEGALLY PERMISSIBLE, EACH PARTY (THE "INDEMNIFYING PARTY") WILL INDEMNIFY THE OTHER PARTY AND ITS OFFICERS, DIRECTORS, AGENTS, AND EMPLOYEES (COLLECTIVELY, THE "INDEMNIFIED PARTY") AND HOLD THE INDEMNIFIED PARTY HARMLESS FROM AND AGAINST ANY AND ALL CLAIMS, DEMANDS, LIABILITIES, LOSSES, COSTS AND DAMAGES (INCLUDING WITHOUT LIMITATION COURT COSTS AND REASONABLE ATTORNEYS' FEES), WHICH THE INDEMNIFIED PARTY OR ANY OF ITS OFFICERS, DIRECTORS, AGENTS, EMPLOYEES MAY INCUR OR SUFFER THAT ARE CAUSED BY THE INDEMNIFYING PARTY'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.

16. Default and Termination. If either party defaults in the performance of any obligation under this Agreement, the non-defaulting party will give the defaulting party written notice detailing the nature of the default. If the defaulting party fails to cure its default within 30 days after receipt of such notice, the non-defaulting party will have the right to terminate this Agreement upon 30 days' written notice and to pursue all other remedies available, either at law or in equity. Notwithstanding the foregoing, the 30 day cure period will be extended to 90 days if the default is not reasonably amenable to cure within such 30 day period, but only if the defaulting party diligently pursues to cure the default in good faith during the 30 day period. Notwithstanding the foregoing, if Customer breaches its obligations in Sections 4, 5, 7, 12, 13, or 14, Provider will have the right to terminate this Agreement immediately.

17. Limitation of Liability. NEITHER PARTY WILL HAVE ANY LIABILITY FOR INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, LOSS OF PROFITS OR INCOME, LOST OR CORRUPTED DATA, OR LOSS OF USE OR OTHER BENEFITS, HOWSOEVER CAUSED, EVEN IF DUE TO THE PARTY'S NEGLIGENCE, BREACH OF CONTRACT, OR OTHER FAULT, AND EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. PROVIDER'S AGGREGATE LIABILITY TO CUSTOMER RELATING TO OR ARISING OUT OF THIS AGREEMENT, WHETHER IN CONTRACT,

TORT, OR OTHERWISE, WILL NOT EXCEED THE AMOUNT PROVIDER PAID CUSTOMER DURING THE 12 MONTH PERIOD BEFORE THE DATE THE CLAIM AROSE.

18. Uncontrollable Circumstance. Provider reserves the right to renegotiate or terminate this Agreement without penalty upon 60 days' written notice if circumstances outside Provider's control (including, without limitation, changes in rates, regulations, or operations mandated by law; material reduction in facility population or capacity; material changes in jail policy or economic conditions; actions Customer takes for security reasons (*e.g.*, Lockdowns); or acts of God) negatively impact Provider's business; however, Provider will not unreasonably exercise such right. Further, Customer acknowledges that Provider's provision of the services is subject to certain federal, state, or local regulatory requirements and restrictions that are subject to change from time-to-time and that Provider may take any steps necessary to perform in compliance therewith.

19. Injunctive Relief. Both parties agree that a breach of any of the obligations set forth in Sections 4, 5, 7, 12, 13, or 14 would irreparably damage and create undue hardships for the other party. Therefore, the non-breaching party will be entitled to immediate court ordered injunctive relief to stop any apparent breach of such sections, such remedy being in addition to any other remedies available to such non-breaching party.

20. Force Majeure. Either party may be excused from performance under this Agreement to the extent that performance is prevented by any act of God, war, civil disturbance, terrorism, strikes, supply or market, failure of a third party's performance, failure, fluctuation or non-availability of electrical power, heat, light, air conditioning or telecommunications equipment, other equipment failure or similar event beyond its reasonable control; provided, however that the affected party will use reasonable efforts to remove such causes of non-performance.

21. Notices. Any notice or demand made by either party under the terms of this Agreement or under any statute will be in writing and will be given by personal delivery; registered or certified U.S. mail, postage prepaid; or commercial courier delivery service, to the address below the party's signature below, or to such other address as a party may designate by written notice in compliance with this section. Notices will be deemed delivered as follows: personal delivery - upon receipt; U.S. mail - 5 days after deposit; and courier - when delivered as shown by courier records.

22. Miscellaneous.

- a. Choice of Law. This Agreement will be governed by and construed in accordance with the laws of the state where the Facility is located.
- b. No Waiver. No waiver by either party of any event of default under this Agreement will operate as a waiver of any subsequent default under the terms of this Agreement.
- c. Severability. If any provision of this Agreement is held to be invalid or unenforceable, the validity or enforceability of the other provisions will remain unaffected.
- d. Successors and Assigns. This Agreement will be binding upon and inure to the benefit of Provider and Customer and their respective successors and permitted assigns. Except for assignments to Provider's affiliates or to any entity that succeeds to Provider's business in connection with a merger or acquisition, neither party may assign this Agreement without the prior written consent of the other party.
- e. No Third-party Beneficiary Rights. The parties do not intend to create in any other individual or entity the status of a third-party beneficiary, and this Agreement will not be construed so as to create such status. The rights, duties, and obligations contained herein will operate only between the parties and will inure solely to their benefit. The provisions of this Agreement are intended to assist only the parties in determining and performing their obligations hereunder, and the parties intend and expressly agree that they alone will have any legal or equitable right to seek to enforce this Agreement, to seek any remedy arising out of a party's performance or failure to perform any term or condition of this Agreement, or to bring an action for the breach of this Agreement.
- f. Parties' Relationship. Nothing in this Agreement will be deemed or construed by the parties or any other entity to create an agency, partnership, or joint venture between Customer and Provider.

- g. Prevailing Party. In the event of any dispute, contest, or litigation between the parties hereto (a "Dispute"), the prevailing party in such Dispute shall be fully reimbursed by the other party for all costs, including reasonable attorneys' fees, court costs, expert or consultant's fees and reasonable travel and lodging expenses, incurred by the prevailing party in its successful prosecution or defense thereof, including any appellate proceedings. As used herein, "prevailing party" includes without limitation, a party who dismisses the Dispute in exchange for payment of the sums allegedly due, performance of covenants allegedly breached, or consideration substantially equal to the relief sought in the Dispute.
  
- h. Survival of Obligations. The parties' rights and obligations, which by their nature would extend beyond the termination, cancellation, or expiration of this Agreement, will survive such termination, cancellation, or expiration (including, without limitation, any payment obligations for services or equipment received before such termination, cancellation, or expiration).
  
- i. Execution Mechanics. Each signatory to this Agreement warrants and represents that he or she has the unrestricted right and requisite authority to enter into and execute this Agreement, to bind his or her respective party, and to authorize the installation and operation of the Applications. This Agreement may be executed in counterparts, each of which will be fully effective as an original, and all of which together will constitute one and the same instrument. Each party agrees that delivery of an executed copy of this Agreement by facsimile transmission or by PDF e-mail attachment will have the same force and effect as hand delivery with original signatures. Each party may use facsimile or PDF signatures as evidence of the execution and delivery of this Agreement to the same extent that original signatures can be used.
  
- j. Entire Agreement / Merger Clause. This Agreement, together with the Schedules, constitutes the entire agreement of the parties regarding the subject matter set forth herein and supersedes any prior or contemporaneous oral or written agreements or guarantees regarding the subject matter set forth herein.

## SCHEDULE: SECURUS SERVICES YORK COUNTY (ME)

This **Schedule: Securus Services** is made part of and governed by the Master Services Agreement (the "Agreement") executed between Securus Technologies, LLC ("Provider") and York County Jail ("Customer"). The terms and conditions of the Agreement are incorporated herein by reference. Customer's use of certain products pursuant to this schedule is also governed by the terms and conditions at <https://securustechnologies.tech/producttermsfuse/>, which are incorporated herein by reference. This Schedule will be coterminous with the Agreement ("Schedule Effective Date"). In the event of a conflict between the terms of the Agreement and the terms of this Schedule, the terms of this Schedule will apply.

### TELEPHONE SERVICE / CALL MANAGEMENT SYSTEM

Secure Call Platform: Secure Call Platform ("SCP") allows end users to place calls through its centralized system without the need for conventional live operator services. SCP allows Customers to (a) monitor and record calls; (b) prevent monitoring and recording of private calls; (c) limit the duration of calls; (d) maintain call detail records; (e) shut the System on or off; and (f) allow free calls. Provider will be responsible for all billing and collections of calling charges but may contract with third parties to perform such functions. Provider will store call recordings for a period of 24 months from the date of recording. Customer may download and store call recordings during that period. Customer is solely responsible for preserving any call recordings beyond that storage period by downloading them to a separate storage medium.

Provider will provide the equipment needed to support the required number and type of phones and other components in connection with SCP. Additional equipment or applications will be installed only upon mutual agreement by the parties, and may incur additional charges.

Provider will charge rates that are in compliance with state and federal regulatory requirements. International rates, if applicable, will vary by country.

Securus Debit. SCP also includes the ability to integrate Securus Debit accounts. A Securus Debit account is a prepaid account owned by an incarcerated end user which is utilized to pay for certain of Provider's services, and is funded either through a transfer from a trust/commissary account or through deposits from friends and family. Once deposited in the Securus Debit account, funds become property of the incarcerated end user. Securus Debit accounts are associated with a personal identification number ("PIN"), and users are required to input a PIN at the beginning of every Securus Debit call. Provider will invoice Customer on a weekly basis for all funding amounts transferred from facility trust/commissary accounts to Securus Debit accounts. The invoice will be due and payable upon receipt.

### INVOICING AND COMPENSATION:

Commission. Provider will pay commission (the "Commission") based on the Gross Revenues earned through the completion of calls, excluding interstate calls, placed from the Facilities identified below. "Gross Revenues" means all gross billed revenues relating to completed collect and Securus Debit calls from Customer's Facility(s), less service costs. Regulatory charges; taxes and fees; federal, state, and/or local charges; transaction, funding, or cost-recovery fees; credits; charges billed by third parties; and promotional programs are excluded from revenue to the Provider. For Securus Debit calls, Provider reserves the right to deduct call credits from Gross Revenue.

Provider will remit the Commission for a calendar month on or before the 30th day after the end of the calendar month in which the calls were made (the "Payment Date"). Customer's payment address is as set forth in the chart below, and Customer will notify Provider in writing at least 60 days before a Payment Date of any change in Customer's payment address.

### FACILITIES AND RELATED SPECIFICATIONS:

Facility Name and Address	Commission Percentage	Commission Payment Address
York County Jail 1 Layman Way Alfred, ME 04002	73%*	--SAME--

**\*No commission will be paid on revenues earned through the completion of interstate calls of any type placed from the Facility(s).**

Customer acknowledges and agrees that Provider is paying the Commission for the exclusive right to provide telephone services to incarcerated end users in Customer’s Facility(s), and that any taxes assessed on Commission payments are the sole responsibility of Customer.

Customer Options for Alternative Compensation Structures. Notwithstanding anything to the contrary in the Agreement, at Customer’s option, Customer may request that compensation and rates under the Agreement be amended to either a no commission or taxpayer-funded and no commission option at any time during the Term. If requested by Customer, the parties will negotiate in good faith regarding an appropriate reduction to the applicable call rates if Customer agrees to no longer receive any commission or other type of financial compensation under the Agreement. For such compensation structures, Provider can also accommodate a Customer request to transition from end user funding of services to a model where those services are taxpayer-funded / paid for by Customer.

**ADVANCECONNECT SINGLE CALL**

AdvanceConnect Single Call allows friends and family to pre-pay for a call from an incarcerated end user and, if deployed, hereby replaces Provider’s Instant Pay Program. Based on the actual duration of the call, AdvanceConnect Single Call transactions are rated at the per-minute rate (plus any applicable federal, state, and local taxes and transaction fees). AdvanceConnect Single Call calls are commissioned in the same manner as collect calls.

**OUTBOUND VOICEMAIL**

Outbound Voicemail allows friends and family to retrieve voicemails from incarcerated end users. If a call goes unanswered, the caller may leave a voicemail. Provider will send a text message to the dialed number with a link to pay for and listen the message. Based on the actual duration of the call, Outbound Voicemail transactions are rated at the per-minute rate (plus any applicable federal, state, and local taxes and transaction fees). Outbound Voicemail calls are commissioned in the same manner as collect calls.

**INVESTIGATOR PRO**

Investigator Pro uses continuous voice identification technology to identify the incarcerated end user(s) speaking on a call, detect certain three-way call violations, and help investigators find correlations among calls. Incarcerated end users must participate in a supervised voice model enrollment process. This voice model enrollment process is the responsibility of Customer. Customer’s use of Investigator Pro is governed by the JLG Technologies, LLC End User Software License Agreement located at <https://securustechnologies.tech/ipro-terms-and-conditions/>, incorporated herein by reference.

The cost of Investigator Pro was considered and included in offering the Commission percentage and other terms contained herein.

**ICER**

The ICER system provides authorized users the means to detect intra- and inter-Facility communications between incarcerated end users from multiple sources to generate targeted investigative leads.

The cost of the ICER system was considered and included in offering the Commission percentage and other terms contained herein.

**TABLETS**

Provider will deploy free basic community tablets to Facility. In addition to the free basic community tablets, Provider will offer personal rental tablets with premium content. Customer may purchase tablet earbuds at \$5.66 per set, which may be invoiced or deducted from compensation otherwise owed to Customer under the Agreement. Customer is responsible for any applicable taxes and third-party expenses associated with the earbud purchase. Each earbud order must be for at least 25 units and be made in 25 unit increments. Provider may, at its option, decline to fulfill any order that does not conform to these requirements. Alternatively, if requested by Customer, Provider will work with Customer's commissary provider to facilitate the sale of earbuds. Customer will not permit the resale of the earbuds for more than \$19.99 per set unless approved by Provider.

Premium content may include, but is not limited to, songs, games, movies, and television episodes. Customer understands and acknowledges that premium content is subject to availability and may change at Provider's discretion. Premium content also may be subject to third-party licensing agreements with content providers. If Customer provides content for Provider to display on the tablets, Customer represents and warrants that it has obtained all necessary licensing and rights to display such content. Provider is not responsible and hereby disclaims any liability for any and all content of third-party applications and any documents, videos, or forms published by Customer or from outside sources.

For the 12-month period following the Effective Date, Provider will offer personal rental tablets at a promotional rate of \$5.00 per tablet per month plus applicable taxes/fees/surcharges. Provider will pay Customer 10% commission on the revenue earned through the purchase of premium content on those tablets; such commission is net of licensing and network costs, excludes applicable taxes/fees/surcharges, and is not paid on the tablet rental rate. The subscription fee and premium content fees can be paid by using either Securus Debit or a Tablet user account. The parties reserve the right to renegotiate the \$5.00 promotional rental rate and/or commissions earned if, after the initial 12-month period, Provider's Tablet-related costs exceed the revenue generated.

Provider will provide its Law Library ConnectUs Application at a cost of \$550 per month, which will be deducted from compensation otherwise owed to Customer under this Agreement. In any given month, in the event commissions earned are less than the licensing fee, Customer may be sent an invoice for the remaining amount

Provider will remit the payment for a calendar month to Customer on or before the 30<sup>th</sup> day after end of the calendar month in which the eMessaging stamps were redeemed (the "Payment Date"). All payments will be final and binding unless Provider receives written objection within 60 days after the Payment Date.
